AVAILABLE SEPTEMBER 30TH!

EVERDOME by Éric Desmarais

For thirteen lucky contestants, when a man dressed as a knight offers them the opportunity to visit their favourite fantasy world as an immersive reality show, there's only one answer they can give: YES!

The impressive realism is beyond anything they can believe and some of them start to wonder why.

Aurora-nominated author of the Elizabeth mysteries!

6x9 - 288 p - 20\$CAD

THE WAYWARD SPIDER

by John Haas,

(Winner of Writers of the Future!)

All Spider wants is to seek his fortune as a thief. Is that too much to ask?

Werewolves, cults, ghosts and gods.

This one has it all. Join a moody thief, a caster of chaos magic and a hulking behemoth as circumstances throw them from one quest to another.

6x9 - 336 p. - 20\$CAD

THE STEALTH LOVERS
by Cait Gordon

After submitting to mandatory conscription, two young men begin Basic Training, or, "Vacay in Hay." Little do they know the bond they feel will lead them to become the venerable military pairing known as The Stealth.

"Cait Gordon sent us on a ride full of pew-pew physics and one of the absolute best traits of people: our humour."

—Nathan Burgoine, Lambda Literary finalist and author of *Light*

SEPTEMBER 30TH!

EDITED BY CAIT GORDON
AND TALIA C. JOHNSON

We are the heroes, not the sidekicks.

From hospital halls to jungle villages, from within the fantastical plane to deep into outer space, our heroes take us on a journey, make us think, and prompt us to cheer them on.

These are bold tales, told in our voices, which are important for everyone to experience.
